About Woodland Hospital

Woodland Hospital is a leading private hospital with an excellent reputation for delivering high quality healthcare treatments and services. Treatment at Woodland Hospital is Consultant delivered and our staff provide a friendly and professional service with specific emphasis on individual patient care.

Our Hospital provides patients, Consultants and staff with spacious, modern and comfortable surroundings, delivering high class care. A comprehensive list of our treatments is available on our website

www.woodlandhospital.co.uk

Our Surgeons

All of our surgeons, physicians and staff are qualified, experienced and enthusiastic professionals with a broad range of specialties. We deliver continuity of care by ensuring that all patients are under the direct care of the same consultant surgeon or physician from the very first appointment, through treatment to the follow-up appointment.

Our Patients

Patients can arrange their treatment at times convenient to them as we offer appointments throughout the day, including early morning, evening and Saturday clinics. Our visiting hours are flexible, allowing friends and family members to visit at convenient times. The hospital has ample free parking.

Outpatient clinics:

8am to 8pm (Monday to Friday)

8am to 5pm (Saturday)
